SUBJECT: **FUNDING AUGMENTATION FOR DIDI HIRSCH PSYCHIATRIC SERVICE,
COUNTY CONTRACT NO. H-702254**

This is to inform you that the Department of Public Health (DPH) plans to use the delegated authority granted by the Board on May 30, 2006 (Board Agenda Synopsis #34) to implement the adjustments and reallocations provision as found within the above subject agreement with Didi Hirsch Psychiatric Service (Didi Hirsch). This authority allows the Director of DPH, or his authorized designee, to augment funds in amounts up to 25 percent of the contract's budget.

DPH is proposing to augment the contract to extend Project 50 services through FY 2010-2011. Project 50 provides supportive services linked to permanent housing for the chronically homeless. Placement of homeless people with severe co-occurring substance use disorder (SUD) and mental illness into permanent supportive housing is associated with reductions in hospitalizations, incarcerations, and subsequent use of shelters, emergency rooms, and psychiatric and detoxification programs. SUD services for Project 50 participants are provided by Didi Hirsch. The funding provided enables the agency to conduct outreach to the chronically homeless and engage them until they are ready for SUD services to assist in their transition to supportive housing.

Attachment 1 is a description of the services to be revised by this amendment and Attachment 2 outlines the agency's current and new proposed funding amounts.

If you have any questions or need additional information, please let me know.
